## Proposed Regulation Changes

The following is the proposed changes to the RUSU Regulations which will be considered at the Student Union Council Meeting on 18 July 2019.

The proposal is to remove the current regulations section 6 'Electoral' of the RUSU Regulations and replace it with an updated section 6 'Electoral'.

### PROPOSED AMENDMENTS SUMMARY

#### SECTION 6 ELECTORAL

A range of updates and changes have been proposed to section 6 'Electoral' of the RUSU regulations. This section of the RUSU regulations was last updated in 2011. The current regulations require updates to reflect current practices (and technology related terms and clauses), to simplify some key areas and provide more clarity around some processes.

It is proposed that section 6 'Electoral' be deleted and replaced with the new proposed section 6 'Electoral'. The proposed new regulations section 6 'Electoral' can be found on the RUSU website at [www.rusu.rmit.edu.au/regulations](http://www.rusu.rmit.edu.au/regulations)
