Proposed REGULATION Changes

Student Union Council Meeting 22 October 2025 at 6pm

The following are the proposed changes to the RUSU Regulations, which will be considered at the Student Union Council Meeting on 22 October 2025.

Background

The 22 October SUC is considering proposing changes to the RUSU Finance regulations. RUSU has grown in budget and operational complexity in recent years. With this in mind, RUSU has reviewed our finance regulations to:

- Ensure that they are appropriate for RUSU's current operations and support the potential growth in budget and operations; and
- Enable RUSU to comply with the RUSU Constitution, RMIT Deed Agreement, SSAF Transition plan, SSAF legislation, CAV, ACNC and annual audit requirements.

This update of the finance regulations focuses on:

- streamlining processes;
- reducing administrative burden on the General Secretary, while retaining oversight and student control;
- situating large expenditure, big picture budgeting and financial oversight with the SUC (as per the Constitution) and delegating more routine financial management to the Secretariat and through formal delegations to the finance department.

Proposed Regulation Change

The following motion will be put to SUC on 22 October 2025

MOTION:

That the SUC approves the proposal to amend the RMIT University Student Union Incorporated Regulations (updated June 2025) section: Finance, as outlined in the Notice of Regulation Change and Summary of Regulation Changes posted on the RUSU website and circulated to SUC members with the SUC Agenda.
