About Realfoods Canteen

Realfoods is a social enterprise run by the staff, elected representatives and student volunteers of the RMIT University Student Union (RUSU). It focuses on providing healthy, affordable and sustainable food options for RMIT students. Our menu is vegan, vegetarian and culturally diverse and includes; dairy free, gluten and halal friendly options.

RUSU has operated variations of Realfoods at RMIT for 20+ years. Over time Realfoods has changed and adapted to meet the needs of students. In 2026 Realfoods has shifted to a Realfoods Canteen model, in response to the significant food insecurity faced by students. Under this model we have a simple and limited daily menu of meals – at \$5 for RMIT students and \$10/\$12 for staff/community.

Realfoods Canteen is located on the busy RMIT City Campus. We are open from Monday –Thursday during semester and serve breakfast, lunch and dinner. We serve hot meals (e.g. curries, soups, dahl) and healthy salads – which are cooked offsite and heated and served at Realfoods. We prepare a small range of food onsite including simple toasties and rolls and a small healthy breakfast range (yogurt, chia cups etc). We also provide grab and go snacks and drinks. Realfoods is a community space for students and offers take away or dine in options.

Realfoods is staffed by; the Realfoods Canteen Coordinator and a team of part time and casual staff, including student casuals. The Realfoods Canteen Coordinator and the Realfoods Canteen Assistant are the two main staff members.

At times, our operations are supported by a small team of trained RUSU student volunteers. We are a small, friendly and dedicated team. Staff work as an ‘all hands-on deck’ team and the roles are ‘all -rounder’ hospitality type positions.

Oversight & Direction

All Realfoods staff are supervised by the Governance & Operations Manager. They report through and receive direction from the Governance & Operations Manager through the Realfoods Canteen Coordinator.
