# Considerations and Event Planning

- Bookable during normal campus operating hours – arrangements can be made for AH events
- Recurring bookings are welcome – once a week and three (3) hours max
- Allow time to set up and clean up – area to be left in a clean and tidy state otherwise the club will be charged for any cleaning costs incurred
- Depending on the event, clubs may need to pay for RMIT security guards, cleaners or AV staff and equipment
- External RMIT people are welcome but must abide by same safety measures and protocols as all RMIT staff & students – [click here for more info](#)
- Library adjoins the Garden Building – so not appropriate venue for live bands
- **Reminder to plan well – send the request ASAP as some events may take two (2) weeks to complete all checks and approvals!**
